

MAP IN BRIEF

When it comes to saving, investing and achieving financial goals, MAP is a superannuation and investment specialist trusted for over 50 years.

Established in 1957 by a group of medical professionals, demand from other industries has seen diversification of MAP members to include other professionals who value the personalised service a boutique “profit-for-members” group can provide.

Today, MAP is proud to offer a broad range of comprehensive, specialist and individually tailored financial and investment planning services.

Our commitment is to continue being the trusted provider to discerning investors across Australia. We understand that on your financial journey you’ll need to make a lot of choices, but you don’t have to go it alone. Our team will be there with specialist knowledge and a commitment to providing personalised service to each and every member, so you can choose what is right for you. After all, it’s your journey, you should do it your way.

Superannuation and pension advice

Some members find superannuation to be a daunting topic, especially when they don't fully understand the superannuation system or investments in general. With the help of one of our Representatives, you may feel more comfortable that your super will be invested in the option most suitable to your needs and risk profile and to having the appropriate level of insurance. We can also help you determine the right level of contributions to meet your retirement savings objectives.

MAP can advise members on:

- The MAP investment pool best suited to your risk profile;
- Switching between MAP investment options;
- Insurance and levels of cover within MAP;
- Contribution levels to MAP; and
- The Government Super Co-contribution.

As a MAP member, this service is included in the fees you pay. We pride ourselves on our personalised service and feel that this is an important benefit to pass on to our members. To arrange a time to talk to a MAP representative please contact our office on (07) 3838 1234, 1800 640 055 or enquiries@mapfunds.com.au.

For advice outside of the fund, a full financial plan prepared by a financial planner is required.

Financial planning advice¹

MAP Financial Planners assist individuals to achieve their full financial potential, working with them to develop personalised investment strategies. Such strategies take into account where you are now and offer tailored solutions to help achieve financial goals.

MAP Financial Planners are experienced in providing personalised advice and are paid a salary. They provide advice on a wide range of products and strategies including salary packaging, retirement planning and wealth creation.
